“The Infinite Advantage”

About Us

Infinite Business Technology solutions is a fledgling Microsoft Certified Partner that provides built to suite seamless end to end and cost-effective technology driven solutions to help businesses efficiently and timeously achieve their business objectives.

Your organisation can no longer afford to be using old, outdated, traditional software, it will only hold you back, limiting your opportunities to use up and coming solutions. With information and data being created so quickly and with so many technological advances, best of breed is the only way forward you need the Infinite Advantage.

At IBTS we pride ourselves to be a one stop solutions mart of repute, using our expertise in solutions development to advice you on software licencing, training and hardware requirements that is best for your financial and technological targets.

Who We Are

Infinite Business Technology Solutions (IBTS) is a wholly owned subsidiary of Colvest Investments (2006) a diversified group with interests in the Logistics, Agriculture, Construction and Food processing. Domiciled in Harare the IBTS provides services countrywide, the region, sub Saharan Africa, and the continent at large.

Our Services

The “A-Team”

Our Team code named the “A-Team” provides the highest standard of service delivery to our client base spanning across all sectors. The Team is a blend of product certified young energetic professionals buttressed by a steady hand of Industry certified experts with over 20 years of ICT consulting experience on large projects in Zimbabwe and the African continent at large.

Collaboration

We are a Microsoft Certified partner certifying we have applied ourselves to the highest standards of Microsoft’s widely-recognized partnership program. Such collaborations give us a firm footing in our quest to provide industry cutting age solutions for our customers.

A photograph of two African American men in business attire. They are both smiling and looking towards the right side of the frame. The man on the left has his eyes closed and is laughing heartily. The man on the right is also laughing and looking intently at something off-camera. They are wearing dark suits, light-colored shirts, and patterned ties. The background is slightly blurred, suggesting an office or professional setting.

Our Clients

Our ever-growing list of happy clients experiencing the "Infinite advantage" include:

- Mimosa Mining Company
- FC Platinum
- Murowa Diamonds
- Grand Thornton.
